

YORKSHIRE THREE PEAKS WEEKEND

TRIP INFO FOR MARKETING

DISCOVER Adventure

TRIP DESCRIPTION

The Yorkshire Three Peaks, in the steep, rugged Yorkshire Dales, is the setting for this strenuous weekend fundraising challenge. This region was shaped by glaciers many thousands of years ago, and there are plenty of geological landmarks – striking limestone outcrops and unusual rock formations – to pique our interest as we walk. We will also see the famous Ribblehead Viaduct en-route, part of the scenic Settle to Carlisle railway line. To scale three mountains in two days is no mean feat – with every step helping you raise funds for a cause close to your heart. This weekend trek provides an exhilarating and demanding challenge in some of the most spectacular countryside England has to offer.

TESTIMONIALS

"The support crew were outstanding. Making the seemingly unachievable, achievable." – Janet

"Amazing weekend from start to finish. our leader is brilliantly charismatic and lead the group superbly. The campsite is perfectly situated for the trek, the surroundings breath-taking. A weekend of memories being made with great people, and the stunning Yorkshire Dales." – Jacki

"Fantastic weekend, the home-cooked meals at the camp were very welcome after a long but beautiful day's trekking!" – Jenny
